Our correspondents have tried to capture **the pulse** of various church activities in their writings and as your editor, I thank them for their contributions.

A **healthy church**, according to Rick Whitter, who writes a column called “Thoughts on Life and Leading” is -

“Ingredients such as worship, service, community, prayer and evangelism - these are crucial. Vision, stewardship, leadership development, outreach and proper handling of the text within the context are vital. We should explore these features with a sincere desire to be the best church we can possibly be. However, we must never place these elements ahead of complete and total obedience to what God is requiring of the specific church. In our efforts to determine what makes a church successful, we must be sure to be guided by the principle of the true purpose of the church: to bring glory to God and to share Christ with the world.”

As we prepare to enter the season of Advent let us be joyful and mindful of how St. James' Church parishioners will share Christ with the world here in Ingersoll and beyond. Your Editor, *Veronica*

Greetings from Rev'd Sue

To Quote the Beatles – “I Feel Fine!”

It's true! I really do feel fine!! And if “fine” isn't a good enough word for you, I feel well.

The knee replacement went without a hitch. Post- surgery exercises are being done are prescribed by the physiotherapist. I'm actually walking in a way I haven't walked in years – properly!

All in all, I cannot really complain about this process. Has it been uncomfortable? Yes. Has it been a challenge? Yes. The hardest thing for me was lying in bed, my knee on ice or rather ice on my knee. Do you know how inconvenient it is to attempt to read a book when you are on your back with you knee higher than your heart? Let's just say it's not fun when you drop the book on your face!!

Seriously, I am recovering well. I see the surgeon for another follow-up on November 22. I'm sure he will be happy with his work and with my participation in making it a success.

I am looking forward to seeing everyone on the first Sunday of Advent. In the meantime, keep well. God bless. And thank you all for your prayers. They have helped enormously. As ever,
Sue+

COMMUNICATIONS UPDATE #2 – St. James' New “Home”

Your Vision Committee, Building Committee and Design Committee have been meeting regularly to review and provide information to the architects so that we can prepare for structural renovations in our new home.

To date, here is a snapshot of what has occurred:

1. Municipal Property Assessment Corporation (MPAC) application update - Our application for exemption was denied due to the fact we are not actually occupying the building. MPAC granted a residential rate for the interim until we occupy the building, however, our local tax collector advises that the revised rate may not be received by Town of Ingersoll until January.
2. The Vision Committee met with Bishop Todd to review a \$35,000 business proposal we received from Trinity Centres Foundation (TCF) where they would take the lead on Design, Building Construction and Grant writing for our renovation project at 130 Thames. We presented our case for why Church house should financially support this proposal, and Bishop Todd agreed that it was a good idea, and he would take it to his committee. We recently learned the TCF proposal was approved and disbursements would be from Church House. The contract has now been duly executed by Archdeacon Tanya and Trinity Centres Foundation CEO Graham Singh. TCF will be onboard immediately and have indicated they are eager to get started.
3. The Vision Committee met with officials from the Town of Ingersoll and County of Oxford in October to share information regarding the possibility of creating affordable housing on the second floor of 130 Thames St. No decisions have been made but we have agreed to continue reciprocal sharing of information with the Town and County within the terms of a confidentiality agreement.
4. The first draft of several floor plan options and front and rear facade designs were received in late October by Jane Naisbitt and the Design Team for their review and recommendations. They have met several times settled on a floor plan, presented their recommendations to the Building Committee and are eagerly awaiting an upcoming meeting with our Architect and construction company.
5. The Designated Substance Survey report was received near the end of October. Generally, there were no surprises. Remediation will likely be as required, and the cost will be included in the general tender. Asbestos was identified on some piping in the basement and lead paint was located on the second floor, which is very typical of the 1950s vintage of the existing space.
6. We have recently learned the Ingersoll BIA have a rebate program in place along with an agreement with Hazen Masonry to repoint and repaint the facades of businesses for \$6,000 and then BIA provides a rebate of \$3,000 to participants. We'll be passing this information along to TCF to see if we're eligible, and if so, have it integrated into our renovation project and its budget.

A special thank you to all the individuals who have spent hours helping our vision of the new home for St. James' come to fruition. Exciting times for St. James' Ingersoll!

The Communications Committee will continue to keep our congregation up to date with the process and progress. If you have any questions, please do not hesitate to reach out to members of the Building Committee (listed below).

Anglican Church Women News

The ladies of the ACW wish to thank every single person for his/her generosity that has happened so far and for those who are still submitting funds for the "Bakeless Bake Sale".

You're gonna love it - no actual baking required!

Every single calorie (oops that should be \$\$\$) will go toward creating a kitchen in our new parish home that will be used for many upcoming events. We are planning some interesting cooking talks and wonderful odours that will come from that kitchen. And for those upcoming items real calories WILL be consumed.

So far \$2091.00 has been raised with more money still on the way to the bank account. Any nickel, dime, quarter, 50center, Loonie or Twooonie counts. We do hope that you will continue to eat zero calories and put that planned expenditure toward this kitchen event as we shift into what the news media calls "the gifting season".

Donations can be given to Margaret Burford or Susan Winlaw or (if a tax receipt is desired) on the collection plate or into the church office with the indication "St. James' Building Fund (kitchen)" in the note area of the cheque.

Thank you. Thank You. Thank YOU !!! For now and continuing.....

Yours respectfully,

Susan Winlaw ACW President

Needle and Craft Group News

What a Fall the Group has had. Talk about busy bees! With the help of family and friends members of the group crocheted and knitted over 800 poppies to make two display panels and two wreaths for Remembrance Day. One panel and wreath were hung at our new church home, 130 Thames Street, and the second panel was at the Town Hall facing the cenotaph. The second wreath was on the Annex's front door and at the church service on November 5th . Hopefully next year the group is able to expand the display. Many thanks go to the workers and especially to Sharon and Jeannie for assembling the panels and wreaths and arranging the entire process. Thanks to Jessica Lee for printing the words of remembrance. As always our wardens helped at the church.

While the group was working on the poppy display members were also busy making items for our Vendor Event Sale held Saturday, November 18th . Sharon Gillett, Jeannie and Jessica Lee were the planners for the sale. A huge thank you to you!

The group with much help from family and friends had many items for sale. There were beautiful quilted, crocheted, knitted items, beaded jewelry, painted ornaments, greeting cards, and much more and all hand made. All proceeds go to community charities. Sale proceeds are over \$1,200.00

Another project for the group is to assemble school snack bags for the Food Bank. Again Sharon Gillett is a member of the St. James' outreach group (Bob Welt and Kendra Thouless are members) and Sharon is our group's contact for the community needs. As the season advances and needs identified, the group will be working for the community.

If you are interested in joining the fellowship and laughter while working with your hands or helping with suggestions/advice please join the group on Tuesdays at 1:30 - 4:30 pm at the Annex. Have questions? Need a ride? Call Margaret Burford 519-303-2001 or Rosemarie Brokenshire Home- 519-303-0399/Cell 226-456-0617.

Vendor Fair Photos

The Vendor Fair organized by the Needle and Craft Group had 15+ vendors on location at the Masonic Hall on Thames St. S. Thank you for their support in assisting the group to raise funds for local charities. Their participation was essential in making this event a success. In the photo collage above, centre left; are some of the N&C group members – Margaret, Donna and Rosemarie, and customer Kathy McBeath; in the bottom left corner – two of the organizers, Sharon Gillett and Jeannie Lee, looking after the sales table for Cycles of Life; bottom corner right – parishioner Joanne Barker, who is an Aloette sales representative, displays her products for sale.

Outreach News

Salvation Army Foodbank

The parishioners of St. James' continue to donate many supplies to our local foodbank. There was a need for coffee, tea, margarine, sugar, rice and other staples over the fall. Many donations came in as well as items for the snack packages that the Needle and Craft Group assembled.

The Food Bank is now looking for boxes of cereal to fill its shelves. Lots of hungry children to feed – think Fruit Loops, Cheerios, Shreddies!

They are also still looking for more volunteers to help with stocking shelves, etc. If you are able to volunteer for an hour or two once a week or once a month it will be very appreciated. Please contact Lovesh @ 519-777-8440 if you are able to help.

Inter Church

Interchurch Christmas Kettles

St. James' was asked to "man" the kettles on Friday December 1st from 11am – 6pm at Tremblett's Independent & the LCBO. Thank you to all the volunteers who contacted Kristy and she was able to fill in all the slots on our volunteer sheets.

Donations of new toys or clothing or cheques for the Christmas Hamper program may be dropped off at The Annex and we will direct these gifts to the appropriate locations. Three of our Parish Council members- Kendra, Bob and Sharon are involved with Inter Church. Ingersoll and District Inter-church is able to receive your financial donations for the Christmas Hampers through e-transfer at interchurch2005@gmail.com If you require a Tax Donation Receipt, please include your name, address and phone number in the Message Box.

Nursing Home Services

Eight area churches participate in the Ingersoll Ministerial Group that oversees worship /praise services for our local long term care residences and one retirement residence – Secord Trails, Woodingford Lodge, and Oxford Manor. St. James' will provide the service on **Thursday December 14th at Oxford Manor at 1:30 pm.** Please join our music director, Kristy and wardens, Veronica and Mike, and other dedicated volunteers as we provide this ministry for our community. Your presence is a great assistance in filling the areas with song and praise.

Embro Thistle Singers

For the past few months, St. James' has been providing a space every other Sunday afternoon for ETS to practice. The choir meets at The Annex and a number of singers travel from Strathroy, Woodstock, Embro, Kintore and Ingersoll to meet up with our talented conductor, Kitty Babcock, and our mistress of the keyboards, Kristy VanKooten-Bossence. It is a very challenging but enjoyable time singing four part harmony. St. James' members who are members in the choir include Kristy (of course), Gary, Carolin and Veronica.

We have two performances scheduled before Christmas. The first is a concert at Cambrocourt residents just outside of Embro. That is on Nov. 28th at 6:45 pm. One of St. James' former parishioners, Harry Shelton, will get a chance to hear us.

The second performance will be at our own church service on December 17th – Advent 3. We are looking forward to singing some joyful music for all of you.

Tribute Show Report Continued

To all our parishioners who came and assisted with the setup of the Unifor Hall for our Tribute Show on Friday October 13th – a huge thank you!

It was a great success with 145 folks purchasing tickets for dinner and the show. Also a special thanks to those who stayed behind to assist with the clean-up.

After we paid all our expenses (hall rental, caterer, entertainers' fees, decorations, and misc. items) we cleared just over \$2000 on this fundraising evening.

A very fun way to raise some much needed income for church expenses and a way to show our local community that we are very much apart of it.

This was the second show of 2023 and once we move into our new space we are looking forward to hosting more events. Other local Anglican churches are also booking Jackie Grainge and her artists – St. John's Tillsonburg and Old St. Paul's Woodstock had shows booked as well in October.

Wardens' Report

Since our last issue, your Wardens continued to be busy helping to support our church in several ways.

- A) Fundraising-** Organizing and carrying out the plans for a tribute show in October; chocolate sales in November; Marie Bottrell concert in December
- B) Meetings –** Attending and chairing many meetings. This has been a busy two months with Vision Committee meetings, Selection Committee meetings, Parish Council meetings, and Building Committee meetings. Each of these committee meetings was either held at The Annex, at Ingersoll's Town Hall, at our new property, or virtually from our homes with Church House in London.
- C) Correspondence –** Lots of emails and phone calls were travelling back and forth between the Wardens and other contacts. Some of these surrounded our involvement with Trinity Centres Foundation and PK Construction and POW Architecture; others were with Archdeacon Osita Oluigbo as we sorted out our roster of Sunday coverage required by our interim priest (Rev'd Stephen Yeo) and visiting lay reader (Ellen Hook). This was to cover Rev'd Sue's vacancy as she was recuperating from knee surgery and working on her rehab exercises.
- D) Worship Services –** Assisting with the set up and take down of equipment at the Masonic Hall continued; videotaping the services and uploading them to YouTube for those parishioners and friends of the parish that were unable to attend in-person services also continued
- E) Helping Out -** Assisting where needed in the community – ex. worship services at the local long term care facilities and retirement homes
- F) Financials –** Weekly looking after our bank deposit and letting our Treasurer Bob Welt know "where we were at" that particular week. Thanks to Pierre Beaumier for assisting with the counting in September when Mike was on holiday.

Parish Council Report

Our final meeting of 2023 was held earlier in November. Reports were submitted by the representatives of various committees that sit on council. Our present council is made up of – Rosemarie Brokenshire, Sharon Gillett, Joanne Barker, Jane Naisbitt, Bob Welt, Susan Winlaw, Kendra Thouless, Mike Watson, Veronica Jackson, recording secretary Kristy VanKooten-Bossence, and Rev'd Sue.

As we approach a new calendar year, and our annual vestry meeting at the end of January, we will be looking for new members to sit on parish council. Some of our members are ready to move on to other outreach and parish activities and will not be returning to council. We will be looking for individuals who are prepared to attend 5 to 6 meetings over the course of the year and contribute to committee work. Meetings are in the evening and can be attended virtually.

Your wardens are willing to stay on for another year to guide several of our building and vision committees to the completion of our new church location. Additionally, we would remain on the selection committee as we continue our search for a new priest to be hired as our incumbent.

We would also like to see 1 or 2 people step forward that would volunteer to be deputy wardens (wardens in training) so that we can ensure that any transition from one year to another is completed smoothly. This was the practice prior to the Covid pandemic years and we would like to see it reinstated.

Please consider putting your name forward for a position as a parish council member or a deputy warden for 2024.

Advent Services 2023

We welcome back Rev'd Sue McCullough on December 3rd.

The four Sundays of Advent are December 3, 10, 17 and 24

Advent is a time when we observe Christ's first coming while we also look forward to his second coming. Each of the four weeks leading up to Christmas is focused on hope, peace, joy, and love respectively.

All our services will involve the lighting of the Advent Candles.

Through the candles of Advent, we learn of:

Hope: The first candle symbolises hope. We can have hope because God is faithful and will keep His promises to us. We have an inheritance reserved in heaven, and this living hope is an “anchor for the soul, firm and secure” (Hebrews 6:19).

Peace: The second candle reminds us that Jesus, the Prince of Peace, came to bring us spiritual peace. Peace begins with a right relationship with God, and it continues to fill us as we focus on His strength and trust Him. (Isaiah 26:3)

Joy: The third candle reminds us of the joy we have in Jesus. We have complete joy even though we face trials, because our faith is being tested and proven genuine. The end of this faith is the salvation of our souls. (James 1:2)

Love: The fourth candle reminds us of God's love for humanity. We can love one another with a pure heart because we have been born again through the Word of God which lives and abides forever. (1 Peter 1:23)

Jesus Christ: The fifth candle, sometimes known as the Christ candle and placed in the middle of the four candles, is white in colour and represents the purity of Christ, the spotless, sinless lamb of God – the Saviour of the world! (Luke 2:11)

The Advent season is a beautiful reminder to prepare spiritually, even as we prepare to decorate our homes or buy gifts for friends and family. More important than the outward preparation is the inward preparation of our hearts. Because Christ came the first time, we can live with hope, peace, joy, and love till He comes again.

This year the fourth Sunday of Advent coincides with Christmas Eve Day.

Christmas Eve & Day 2023

Sunday December 24th - There will be one services at 7:00 pm – Eucharist Worship Service at the Masonic Hall

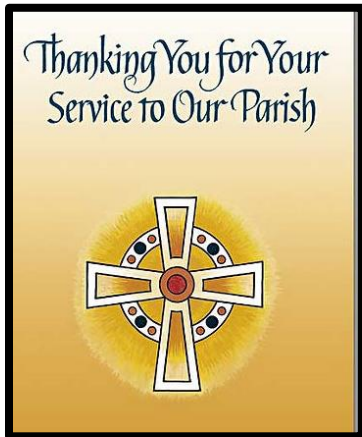

**Sunday December 25th –
10:30 am – Eucharist Service (Said) at The Annex**

**Sunday December 31st - First Sunday after Christmas
10:30 am – Eucharist Service – at Masonic Hall**

A special Christmas edition of “Our Daily Bread” booklets – available at The Annex or at church services in December. Join Monica LaRose and more Our Daily Bread writers to reflect on the language and the historical context of these treasured songs—and to offer prayers of thanksgiving! May they help you enjoy Christmas music more deeply.

We would like to thank The Reverend Stephen Yeo for coming to St. James' Church over the course of October and November to lead us in our worship services. It was wonderful having a committed and attentive priest available to guide us through this period of transition when Rev'd Sue was away. Thank you, Stephen, and please come back and visit often.

*May God look upon you with favor
for your faithful care of His people.
Praying you continue to be renewed
through the power of the Gospel
and through the grace of Christ, Our Lord.*

Every week our church bulletin will include the names of those family members, friends, and parishioners who are ill or are recovering from surgery or illness.

If you would like to have a name placed on our prayer list please email the office stjamesoffice@execulink.com or call the church office – 519-485-0385.
